Insurance

Would all competitors note that we will now be using the newly launched Motorsport UK Insurance scheme for the road section extension cover.

Below are the relevant changes to the regulations. All competitors must now go into their entry form and check that they have selected the correct option for insurance. Please note the wording has altered slightly to reflect the new policy.

New Insurance Wording to replace section 24 of the regulations:

"Competitors are responsible for ensuring they have appropriate insurance cover in place for their activities whilst travelling to and from the Event, as well as during the Event itself.

The Motorsport UK Master Public Liability policy provides third party cover for activities falling under the Event Permit, but this policy specifically excludes any form of Road Traffic Act liability.

An additional third party "top-up" insurance policy, administered by Motorsport UK, is available to add-on for this Event which offers cover for Road Traffic Act liability for any sections of the Permitted Event that take place on the public highway. This policy provides cover to compliment but not replace your own motor insurance.

The acceptance criteria for this scheme are as follows:

- Drivers must be aged 19 years or older
- Drivers must be UK residents for over 1 year, and have held a Full UK Car Licence for at least 6 months
- Drivers must have not been banned from driving in the last 5 years, and no criminal convictions
- Drivers must have no more than 6 penalty points on their licence and/or no more than 1 fault motor claim in the last 3 years in their history
- Drivers must be a named driver on a valid motor insurance policy for the vehicle they are driving
- Drivers must not already have the 3rd Party Extension (top-up) for Road Sections cover already on their existing motor policy
- Vehicles must have a valid MOT and taxed for the road (unless exempt from doing so)
- Vehicles must be road going/road legal and have a UK Registration Plate assigned and attached
- Vehicles must be in the custody or control of the competitor and be participating in a motorsport event permitted by the Policyholder (Motorsport UK Association Ltd)

Competitors who do not comply with any of the above criteria must contact Kingfisher Motorsport at motorsportuk@kingfishermotorsport.com as early as practically possible in advance of the event to discuss their application to confirm whether cover can still be offered and whether there are any additional terms.

All Competitors will be required to sign a declaration before the Event to confirm that they either have adequate insurance cover for the Event or need cover under the Motorsport UK top-up policy. If they do not meet the minimum eligibility criteria, they must have referred themselves to and been approved by Kingfisher before the start of the Event.

Those Competitors who do require cover under the Motorsport UK top-up policy will be required to pay the organiser's an additional fee to cover the Motorsport UK permit surcharge"
